Included Features

Benefits

Interpump with ceramic pistons & brass head	➤ Longer pump life, non corrosive pump head
Water bypass internally	➤ Reduces potential damage to pump in bypass
Low speed pump	➤ Pump isn't working as hard & can run longer
Inlet water filter	➤ Stops debris from scoring pistons & seals
Pressure gauge	➤ Easily monitor pump performance
Powder coated zinc annealed chassis	➤ Resistant to corrosion
Thermal dump valve	➤ Protects pump from overheating when in bypass
Detergent Injection w/ 1L bottle	➤ Quickly & easily inject chemical
