INDUSTRIAL USE

LET US HELP YOU SAVE TIME AND MONEY!

Powered by a genuine Spitwater HP3523/AE, the Wombat Jetter is designed to be small and portable (even hand moveable), while packing a heavy punch.

The trailer comes with a 30M 3/4" supply hose, 60M fixed 1/4" jetter hose reel and a portable mustang 60M 1/4" mini reel. A set mustang jetter nozzles including a penetrator, thruster, and ranger. Other additions include a spare tyre and 100L header tank.

With all the features of the Spitwater HP3523/AE, the trailer is designed and built to be rugged, resilient and lightweight. Finally to top it all off, its built right here, in Australia.
